first 15 minutes to think shit up ... Quiet time ...

- I think that they should have plugged this cord next to the socket closest to the ceiling instead of bringing it all the way down.
- I think that there ~~could~~ should be some way to better manage fog to prevent accidents like the one on the 1st this week.
- I think that there should be a double lane to exit the campus instead of that huge line that forms at the 4way stop.
- That there should be a smart lens in glasses that sense when your vision is getting worst and correct itself just a little bit until you can get a new RX.

My Ideas

- Bring back the drive-in - Vegan Restaurant.
organic sysco Liability to buy local.
- find a way to make kids put their phones down and actually interact face to face.
- Having Insurance for your business is important!!
- fee fee alert for pets. Zoey broke her hip \$8,000 to fix went down to \$4,000 fixed Zoey is all better. ☺ fckn Zoey got pregnant again. That slut!! Zoey had a C-section, 11 puppies Emergency! every single puppy got Ringworm
